PROFILE SUMMARY

A dedicated UX/UI Designer who has recently completed the UX/UI bootcamp program at Ohio State University in 2024. My passion lies in creating interfaces that are not only usable, enjoyable, and accessible but also tailored to meet the diverse needs of users.

Prior to embarking on my journey in UX/UI design, I accumulated over ten years of experience in various roles such as system administration, customer service, and office administration. This extensive background has equipped me with a strong foundation in understanding user needs and providing exceptional service.

Completing the UX/UI Bootcamp at OSU was a significant milestone in my journey, equipping me with the skills and confidence to pursue a fulfilling career in UX/UI design.
